

# BETTER JOB FIT

## The Economics of Inequity: Creating Long-Term Solutions Through Social Value Investing

It's not about the lack of resources.

It's about the lack of resourcefulness.

- Is your organization experiencing budget cuts?
- Do you have limited resources to help your organization thrive?
- Does your workforce continue to shrink due to job uncertainty?
- Are you feeling overwhelmed and wish to increase your organization's effectiveness?

For companies to thrive in today's volatile economy, organizational stakeholders must know how to create sustainable solutions with people from different industries and backgrounds.

**Limited to 50 participants** - Join socially invested and conscious leaders to co-create innovative and sustainable Social Value Investing solutions that support your organization's long-term goals.

Join us if you represent local:

- Businesses
- Public Administration Services
- School Districts
- Colleges
- Non-Profits
- Philanthropies
- Venture Capitalists

### Workshop Objectives:

- Understand the foundation of business sustainability and Social Value Investing.
- Create and apply Phase 1 of your own strategic community plan.
- Meet prospective community partners.
- Post- Event Opportunity: 6-Week Virtual Workshop - Complete your community plan and create collaborations/partnerships.
